OUR CALL CENTER HOTLINE IS READY NOW!

To all customers of J&T Express Malaysia:

Here we are, prepared to serve you better! You may contact our customer service call centre hotline (1300-80-9000) or visit our website at www.itexpress.my for more information.

J&T Express Malaysia is a technology based Express Service Company founded by a group of globally well-known technology renovator and entrepreneurs; our first presence was in year 2015 and we feature various advantages in providing high efficiency, security and quality express services to our customers.

As a new game player in the courier express industry, over the last 2 years, we are constantly harnessing our strategic planning and vision to optimize our services in order to exceed our customers' expectation. In which awarded us "The Best Brand for E-Commerce" and positioned J&T Express as the Top Two Best Express Services in Indonesia.

J&T Express (Malaysia) is committed to continuously innovate to meet customer's demands. Besides, we are committed to serve by providing excellent services to you and fulfilling your satisfaction and needs.

J&T Express also provides customer support 365 days a year including weekends and public holidays. In addition, customers are able to check the shipping price rates, track orders and update the latest information in <http://itexpress.my> or through the application J & T Express Malaysia in Google Play and App Store.

Finally, J & T Express Malaysia sincerely thank you for the attention and support from all of our customers towards our services.

Warmest Regards,

J&T Express Malaysia
